Narrative:

On October 8, 2020, I was assigned to District 3 Road Patrol for the Collier County Sheriff's Office.

At approximately 0035 hours, I was dispatched to WildWood Lakes Blvd in reference to a Stabbing.

While on the way to the dispatched location, Deputies and I made contact with (CW) who stated that he had been stabbed and fell down the stairs. CW was located at the first round-about to the apartment complex. CW did not wish to corporate, stating that "he did not want to make a big deal about this", and that he did not wish to press charges. When asked where the attack took place, CW stated, "I don't remember, I think there was a White Honda nearby."

CW sustained a stab wound to his abdomen, a large laceration to his left elbow, and a small laceration to his left knee.

CW completed a refusal to prosecute form on scene.

CW was med-flighted to Lee Memorial Hospital due to his injuries.

After speaking with CW, I then made contact with (SR) who was crying on the stair just in front of her apartment door.

SR had an abrasion to her nose and top lip. SR was bleeding from her nose and top lip. SR also had approximately 2 bite marks on her left shoulder blades.

SR stated that Suspect Tanorish Tarell Jones (DOB: 02/01/90) had attacked her and her friend.

SR stated that Jones and she had known each other for approximately 1 year

SR described Jones to be a tall black male with no shirt, blue boxer shorts, socks and a GPS monitoring anklet.

SR stated that Jones did not have permission or access to her apartment tonight. SR stated that CW and she were planning on catching up and had just gotten home from grocery shopping. SR stated she opened her apartment door to see Jones standing there with a knife hiding behind his back. SR stated that Jones approached her in an aggressive manner making stabbing motions toward her. SR stat that she feared for her life. SR stated that she then moved to the side to avoid being stabbed, when Jones then stabbed CW in the stomach. SR stated that Jones then grabbed her by the hair and forced her to the couch, where she received several punches to the face. SR stated that after being hit several times, Jones then dragged her to the bedroom where he placed his hands around her neck stating, "We're going to die together", and " If I can't have you then no one can!" At this point, Jones then fled from the scene. (Deputies later located Jones. See supplemental reports)

SR was evaluated by EMS on scene, and refused medical treatment.

Crime scene was notified, responded and processed the scene.

Due to the incident being domestic in nature, Domestic Violence Detective Depasquale (ID# 3396) was notified, and responded to the scene.

I assisted crime scene with scene security until they were completed with their processing.

I completed a crime scene log, which was turned in.

This concludes my involvement in this incident.

For further details/information, please supplemental reports.
