**PRESS RELEASE**

We were happy to hear that the Merced Police Department has forwarded their portion of the investigation to the Merced District Attorney. It was explained to us by the detectives during our interview that their agency submits all such cases to the District attorney for review regardless of the lack of merit in such accusations.

Accordingly, referral to the District Attorney for review does not constitute any finding or conclusion by the Merced Police Department as to the truth of the allegations.

We continue to work to clear Msgr. Harrison's good name, to restore his reputation, and return him as Pastor of St Francis of Assisi Parish. We welcome this as one more positive step toward restoring Msgr. Harrison to his rightful place in his community.
