Waco ISD offering free summer meals program

WACO, Texas – Food insecurity impacts students year-round, beyond when they are in school. This year’s COVID-19 pandemic has only added pressure on families to provide some of the most basic needs for their children. And historically during the summer, it can be difficult for students who rely on the meals they receive from school cafeterias to get access to food resources.

With an aim to fill that gap, Waco ISD will once again be sponsoring the Summer Food Service Program (SFSP), which provides free breakfast and lunch to any child ages, 1-18 years old. They can participate at one of the following sites on the days and during the serving time(s) indicated in the chart below.

Waco ISD’s sites will be open all summer serving breakfast and lunch from June 1 through August 12, Monday-Friday, with the exception of Friday, July 3, in which all sites will be closed in observance of Independence Day. A breakfast and lunch will also be given out on Fridays for Saturday and Sunday.

Also, throughout June, Waco ISD will provide a snack and supper each day as well as a snack and supper for Saturday and Sunday which will be handed out on Fridays. Meals will not be served before or after the scheduled serving times, and mealtimes and dates are subject to change.

The SFSP receives federal funding from the USDA based on the number of meals served, with the goal to combat hunger during summer vacation. In the summer of 2019, the SFSP operated for a total of 52 days serving 55,792 breakfasts and 108,321 lunches.
