## GAME OF THRONES SCOTCHES \$14

### **CLYNELISH RESERVE HOUSE TYRELL**

A non-age-statement Highlands single malt, representing House Tyrell and displaying its rose sigil. Clynelish is located among green pastures and rolling hills, similar to the lush, fertile area of Highgarden, the home of the Tyrells.

### **ROYAL LOCHNAGAR 12YR HOUSE BARATHEON**

Hailing from the Highlands, the label shows a rampant stag with a crown around its neck. This pairing is a no-brainer: House Baratheon is the ruling family on the Iron Throne, and Royal Lochnagar is one of Scotland's few distilleries with a royal warrant, bestowed by Queen Victoria in 1848.

### **CARDHU GOLD RESERVE HOUSE TARGARYEN**

A non-age-statement single malt from Speyside, Cardhu was founded by two legendary women—Helen Cumming and her daughter-in-law, Elizabeth—just as House Targaryan is led by the fierce Daenerys Targaryan.

### **DALWHINNIE WINTER FROST HOUSE STARK**

A non-age-statement single malt from the Highlands, located at one of the highest and coldest distillery sites in Scotland, is shaped by extreme conditions, just as the Starks' qualities of resilience and strength are shaped by their home of Winterfell in the North.

### **LAGAVULIN 9YR HOUSE LANNISTER**

An Islay single malt, representing House Lannister and showcasing its lion sigil. This whiskey was chosen to match the Lannisters as its creation reflects the same cunning and tenacity for which the family is known—and its rich flavor is also, apparently, a reflection of their riches.

### **THE SINGLETON OF GLENDULLAN SELECT HOUSE TULLY**

A non-age-statement Speyside single malt, the Lords of the Riverlands, as the distillery is located on the banks of the River Fiddich and once used a water wheel to power its operations.

### **TALISKER SELECT RESERVE HOUSE GREYJOY**

A non-age-statement single malt from the Isle of Skye. This whiskey was chosen to pair with the Lords of the Iron Islands because of its maritime character and smokiness, as well as the distillery's location on the rugged shores of Skye.

### **OBAN BAY RESERVE NIGHTS WATCH**

A non-age-statement Highlands single malt, featuring an appropriately dark and simple label with the vow of the Night's Watch. Just as The Wall separates Westeros from the wild lands beyond, Oban Distillery sits on the border between Scotland's western islands and highlands.
