Mr. Vantonio Fraley
IM Possible O.C.H. Teen Club
Via Electronic Mail vfraley@ipsctx.org

Dear Mr. Fraley:

I am writing on behalf of National PAL to express our strong support for the IM Possible OCH Teen Club Chapter of National PAL in your efforts to expand programming in one of the middle schools.

We appreciate and see the impact of the mentoring program that you already offer to youth in the Killeen / Fort Hood area. Mentoring programs are proven to have dramatic positive impacts on school attendance and completion, reducing juvenile crime and violence, and other key metrics. In the case of PAL, mentoring programs are also proven to have a dramatic positive impact on how youth view law enforcement officers, and the ability of law enforcement to work with youth and in their communities to improve safety and security.

With an expansion of facilities and the ability to offer more programs, National PAL can provide IM Possible O.C.H. Teen Club with additional resources that are proven to increase youth participation and engagement. These include NFL Flag football, our Growth Mindset, Resiliency, Initiative and Tenacity mental wellness programs, and various STEM programs. We are also prepared to increase grant support to provide support for additional students.

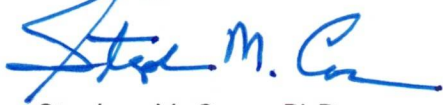

Thank you for all that you do for youth in the Killeen / Fort Worth area. I know your personal commitment is extraordinary, and I have no doubt that we will work successfully in partnership to grow the mentoring program and reach more youth if you are successful in securing the additional space to do so.

As I mentioned to you, I am available to speak with the Superintendent of Schools or anyone else in your community regarding the importance and potential positive impact that your proposal could have in improving the lives and outcomes of youth in the community. You have our full support and willingness to commit resources for rapid implementation this summer, build sustainability for the future, and become a model for other communities throughout the nation.

Please let me know if I can assist you or the school department as you seek to secure facilities for this initiative.

Sincerely,

A handwritten signature in blue ink that reads "Stephen M. Coan". The signature is stylized with a large, sweeping initial "S" and a long horizontal flourish at the end.
