

# Boycott Alert!

**Stand with workers and don't patronize the following locations:**

1. Chowning's Tavern
2. King's Arms Tavern
3. The Williamsburg Inn
4. The Williamsburg Lodge

**Hospitality workers at Colonial Williamsburg are sick and tired of brutally long work weeks and poverty wages.**

**No more forced overtime! We demand a five-day work week!**

**Teaching history shouldn't mean re-living it at work.**

*Don't cross the picket line!*

*All we want this holiday season is  
the respect we deserve.*
