RE: Recent Rise in COVID-19 Cases in Community and Implications for Schools

Dear West Michigan School Community:

As superintendents representing Kent, Ottawa and Muskegon Counties, we first want to acknowledge your extraordinary patience during these difficult times. Your understanding during this pandemic has been critical in keeping our schools safe.

Unfortunately, the collective hard work of schools alone is not sufficient in controlling community spread of the coronavirus. Public health experts report [significant increases in positive cases](#) across our state and region in recent weeks. Health officials cite that the rise in cases is largely due to a lack of safe practices -- mainly distancing and mask wearing -- in social settings and community gatherings. If cases continue to trend upwards, County Health Departments warn schools may be forced to implement additional restrictions to prevent continued infections. Restrictions may include cancellation, or other mitigation efforts, of extracurricular activities like athletics, band, choir and drama.

As a worst case scenario, schools may be asked to shift to a distance learning instructional model either periodically or for an extended period of time until cases decline.

And while safety remains our number one priority, we also acknowledge the important role schools serve for our broader community. Schools are vital in meeting the academic, social, emotional and physical wellbeing of students and families. We must do everything we can to keep schools safe and open.

To mitigate the spread of COVID-19 in our communities and to keep schools open, we ask that all social and community gatherings continue to adhere to safe mitigation protocols. We've worked too hard over the last several months to reverse course now.

Together, we **can** slow the spread of COVID-19.

On behalf of the students and communities we serve, we thank you for your continued support.

Sincerely,

Tom TenBrink
Superintendent
Jenison Public Schools

Ron Caniff
Superintendent
Kent ISD

Dr. Kevin Macina
Superintendent
Byron Center Public Schools
