Subject: DOTI Contracts

Councilmembers,

I have been having some significant challenges with DOTI and escalated my concerns to the Executive Director, HR and Mayor's Office last week. I have not received the support from them that I would have hoped for or, frankly, expected. Unfortunately that only leaves a few levers left to pull, and one of those is contract approval power.

Beginning this Monday night, I plan to call out every DOTI contract so that I can vote against them. I will continue to do this every week until my concerns regarding agency accountability are addressed. The Mayor's office, HR and DOTI are aware of this plan. I do not ask that you vote with me against these contracts, although I would appreciate your support. And I hope to make each week quick by voting them in a block if that is possible (I have cc'd Linda and Kirsten on this email to run that by them). I apologize for any inconvenience or delay this might cause, but I cannot allow my professional reputation to be damaged, nor will I sit back quietly while the safety of the residents of my district is potentially put at risk, by DOTI's failure to do their job.

Please don't hesitate to reach out with any questions. I appreciate your understanding. Thanks and have a great weekend.

Best Wishes,

Councilwoman Amanda Sawyer
District 5
