AFFIDAVIT/COMPLAINT

BEFORE ME, the undersigned authority, on this day personally appeared Justin Wicks who after being duly sworn, on oath says that he has good reasons to believe and does believe that on or about the 10th day of August 2026, and before the filing of this affidavit, in Nueces County, Texas.

One: Liam Shannon DOB: [REDACTED] did then and there commit the offense of PC 19.02 Murder (1 F) as probable cause for this belief and for an arrest warrant would show the following:

NARRATIVE

On 08-10-2026 at approximately 7:00 PM Corpus Christi Police Officers were dispatched to Highway 361 near Beach Access Road 2 within the city limits of Corpus Christi Texas, Nueces County to investigate a traffic accident involving Mr. Shannon and Mr. Fangman.

The officer's initial investigation showed Liam Shannon was driving South on Highway 361 near Beach Access Road 2 within the city limits of Corpus Christi Texas, Nueces County. Victim Jarrod Fangman was driving North on Highway 361 near Beach Access Road 2 within the city limits of Corpus Christi Texas, Nueces County in the opposite direction. Witnesses told officers the vehicle that Mr. Shannon was driving then left its lane of travel and in violation of traffic laws entered the lane of travel of Mr. Fangman who was legally within his lane of travel; and that a crash took place. Mr. Shannon was taken to the hospital for treatment. Mr. Fangman died on scene.

On 08-14-2026 [REDACTED] along with [REDACTED] came to the police department to provide information related to this incident. [REDACTED] was able to provide text messages that clearly indicated that the crash was not an accident but was intentional with the intent of Mr. Shannon to kill himself in the crash. [REDACTED] confirmed that Mr. Shannon had been acting odd as a result of an incident that had occurred at work and in relation to his relationship [REDACTED] at the time; [REDACTED] felt that the crash was not an accident.

Corpus Christi Police traffic investigators obtained a warrant and retrieved data from the vehicle Mr. Shannon was driving. Their evaluation of the data retrieved led them to believe the vehicle did not have technical or mechanical errors and that the crash was intentional.
