No Temperature Observations

Overall Inspection Comments

Response at the request of SNHD Solid Waste and Compliance EHS Bruno S. to assist in an active solid waste investigation.

Evidence of solid waste overflow observed at sewer clean-out in northeast portion of facility exterior near parking lot.

Evidence of overflows also observed in facility in meat department.

After investigation, the source of overflow cannot be determined.

Order issued by SNHD Solid Waste and Compliance to Cease & Desist all operations requiring the use of water. See that report for more details and corrections.

In addition, all open food operations must be discontinued until approved by the Southern Nevada Health District. Only packaged goods may be sold.

Facility self closed all open food handling permits.

Food Operations EHS Will Thompson present for a portion of investigation.
