Case No. 20CA0237

**PEOPLE'S UNOPPOSED MOTION TO EXPEDITE ISSUANCE  
OF THE MANDATE**

For the following reasons, the People request the mandate be issued in this case.

1. This Court recently concluded that the defendant's sentence must be reversed. Under the Court's analysis, the defendant may be eligible for release from incarceration in the near future.
2. The People have concluded that they will not be filing either a petition for rehearing or a petition for writ of certiorari. The People therefore give notice that they will not seek further review of this Court's decision and move that the mandate be issued on an expedited basis, in the interests of justice.
3. The People have conferred with defense counsel, who indicated that the defendant does not object to the relief requested in this motion.

WHEREFORE, the People move to expedite issuance of the mandate and request that this Court grant this motion and issue the mandate on an expedited basis.
