a. If more than six months remain of the term of this Agreement, Coach agrees that he will not actively seek, negotiate for or accept other employment of an athletic nature without the prior permission of the Director of Athletics or the President of UM, including but not limited to employment as a Football Coach for another institution of higher education or professional or semi-professional team.

Each request for approval must be in writing and shall specify the source and amount of the income or benefit to be received. Approval shall be required annually. The approvals required herein may not be unreasonably withheld.

c. Coach will comply with NCAA Bylaw 11.2.2, as amended, and will provide a written detailed account annually to the President of all athletically-related income and benefits earned or accrued from sources outside the institution during the previous calendar year. This report will be submitted to the UM President through the Director of UM Athletics by September 1st of each year. 8. TERMINATION FOR CAUSE. This Agreement may be terminated by the President of UM or the President's designee at any time prior to its expiration for just cause, which shall include the following:

a. Involvement in any deliberate and serious violation of any law, regulation, rule, bylaw, policy or constitutional provision of the United States, State of Montana, the Board of Regents, the University, NCAA or the Big Sky Conference, including any violation of NCAA or Conference law, regulation, rule, bylaw, policy or constitutional provision which may have occurred during Coach's previous or current

employment if persons involved were (a) acting at the instruction, direction or consent of the Coach; or (b) about which Coach knew or, upon reasonable investigation, should have known and failed to report to the Director of Athletics. Notwithstanding anything to the contrary contained herein, Coach may not be terminated pursuant to this Section 9(a) for actions taking place during the term of Coach's previous employment if the University knew, or reasonably should have known, such violations took place;

b. Any deliberate and serious violation of any law, regulation, rule, bylaw, policy or constitutional provision of the State of Montana, the University, the NCAA or the Big Sky Conference by any representative of the University's athletic interests (a) acting at the instruction, direction or consent of the Coach; or (b) about which Coach knew or, upon reasonable investigation, should have known and failed to report to the Director of Athletics;

c. Failure to reasonably administer, operate, maintain or control all aspects of the University's Football program, including, but not limited to, the actions of assistant coaches, staff, independent agencies or organizations or of representatives of athletic interests, in compliance with the regulations of the NCAA, the Big Sky Conference, Board of Regents, or UM;

Failure to exercise this right to terminate as to any particular breach under this section shall not be deemed a waiver as to any future right to terminate.

If this Agreement is terminated for cause in accordance with this section, all obligations of the University to make further payments and/or to provide any other consideration under this Agreement shall cease as of the date of termination, except that the University shall remain obligated to pay Coach any portion of the Annual Base Salary that Coach earned as of the date of termination. In no case shall the University be liable to Coach for loss of any collateral business arrangements or opportunities, nor shall Coach be entitled to payment of any performance incentives for that year.

9. PROCESS FOR TERMINATION FOR CAUSE

a. Prior to termination for cause, the Athletic Director or Director's designee shall provide Coach with written notice specifying in reasonable detail the grounds constituting Cause for termination, including the specific facts and circumstances supporting the case for termination. Upon receipt of such notice, Coach will have seven (7) calendar days to respond by either providing a written response or providing a written request for an in person (or virtually if applicable) meeting. In the written response or during the meeting, Coach may provide explanations, mitigating information, or evidence in response to the grounds stated. The Athletic Director may designate one or more individuals to listen to Coach's response or review a written response as the case may be. If no written response or request for a meeting is delivered to the Athletic Director or his designee as provided herein, a contemplated termination shall become final seven (7) calendar days following receipt of the written notice of the grounds for termination.

b. After considering the Coach's response, which may include consulting with any designees appointed by the Athletic Director to review the Coach's response, the Athletic Director will notify in writing to Coach the final decision of the University.

10. RELIEVED OF DUTIES, COACH RESIGNATION AND COACH INCAPACITY.

a. *Coach's Incapacity.* If Coach dies or becomes disabled or incapacitated and is unable to perform his duties under this contract for a continuous period of six (6) months, this Agreement shall terminate and all obligations of UM to compensate Coach pursuant to this Agreement shall cease as of the date of such termination, resignation or death. UM shall be obligated to compensate Coach in accordance with this Agreement for services performed prior to the termination date and, in the event of death, Coach's estate shall be entitled to those benefits, if any, that are payable under any UM-sponsored group employee insurance or benefit plan in which Coach is enrolled.

b. *Coach Relieved of Duties.* University may relieve Coach of Coach's duties at any time during its term upon written notice to Coach. If the University relieves Coach of Coach's duties during the term of this

Agreement, it shall pay the Coach an amount equal to that portion (pro rata) of the Coach's base salary and benefits remaining unpaid under this Agreement as liquidated damages. The term "benefits" shall mean: employee benefit plan contribution; retirement plan contribution; sick leave and annual leave in accordance with state law; and other benefits available to all full-time contract professional employees. Unless otherwise agreed upon in writing by the parties, the liquidated damages (the base salary and benefits) will be paid in biweekly installments until the end of the term of this Agreement. If Coach is relieved of his duties before the contract expires, Coach will be expected to mitigate the amounts owing to Coach under the contract. Any amount of gross income paid or promised to be paid to Coach for other employment of any kind shall be offset against the amount to be paid by the University as liquidated damages. Perquisites and stipends paid to Coach as "Other Compensation" are not salary or benefits for purposes of this Agreement and are not payable to Coach upon Coach being relieved of Coach's duties. Payment of salary and benefits will be in lieu of any and all other legal remedies available to Coach.

c. Coach may terminate this Agreement for any reason upon written notice to University. If such termination (other than by reason of retirement, death, disability, or incapacity) occurs during the term of this contract, the University shall receive as liquidated damages an amount equal to that portion (pro rata) of the Coach's base salary remaining under this contract at the time of termination. This amount will be in lieu of any and all other legal remedies available to University pursuant to this paragraph.

d. The parties acknowledge that the University will incur administrative, recruiting, resettlement and other costs in obtaining a replacement coach in addition to potentially increased compensation costs and loss of ticket, broadcast or other revenues, which damages are impossible to determine with certainty and accordingly agree to this liquidated damages provision. The parties further agree that the liquidated damages provided for herein are reasonable in amount and not a penalty.

e. If Coach terminates this Agreement, University will be obligated to pay to Coach the Annual Performance Incentives earned as of the date of such termination but will not be obligated to allow Coach to engage in any camp/clinic activity subsequent to such termination.

11. DISPUTE RESOLUTION INCLUDING MANDATORY ARBITRATION.

a. If any dispute arises under this Agreement, the parties agree to attempt to resolve the dispute in good faith as follows:

1. First, by informal negotiation.
2. If informal negotiations fail to resolve the dispute, the parties agree to seek mediation using a mediator acceptable to both parties.

3. If mediation fails to resolve the dispute within 30 days of initial mediation session, the parties agree to submit to binding arbitration under the provisions of the Montana Uniform Arbitration Act, Title 27, Chapter 5, MCA. The arbitration shall be conducted before a single arbitrator selected by the parties. If the parties have not selected an arbitrator within 10 days of written demand for arbitration, the arbitrator shall be selected by the American Arbitration Association.

b. The parties agree that venue for any alternative dispute resolution proceeding, to enforce or interpret this Agreement will be conducted in Missoula County, Montana.

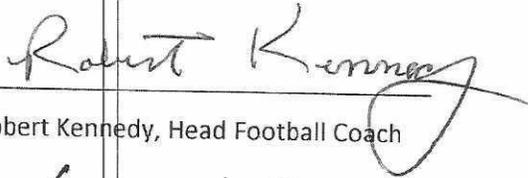

c. The parties agree that this dispute resolution and mandatory arbitration provision applies to the resolution of disputes that otherwise would be resolved in a court of law, and therefore this provision requires all such disputes between Coach and University to be resolved only by an arbitrator through final and binding arbitration and not by way of court or jury trial. This includes, but is not limited to disputes arising out of the employment relationship or the termination thereof, including, without limitation, disputes over claims of civil rights violations, discrimination, harassment, constructive discharge, breach of contract, breach of the covenant of good faith and fair dealing, defamation, claims arising under federal and state law, including, but not limited to the Montana Human Rights Act or Code of Governmental Fair Practices Act, Civil Rights Act, Pay Equity Act, Title IX, Age Discrimination in Employment Act, Americans with Disabilities Act, and all other state and federal statutory and common law claims.

12. MERGER AND AMENDMENT. The provisions of this Agreement constitute the entire Agreement between the parties with respect to the subject matter hereof and no prior or contemporaneous agreement, either written or oral, shall have the effect of varying the terms hereof. This Agreement may be amended by mutual written agreement of the parties, but no such amendment will be effective unless made in writing and approved by the President of the University of Montana.

14. GOVERNING LAW. The validity, interpretation, performance, and enforcement of this Agreement shall be governed by the laws of the State of Montana.

CAUTION: By signing the parties agree to mandatory arbitration of all disputes, thus waiving their respective rights to a jury trial.
