FastTrack Project Database

Access Project Data for FastTrack Grants

The Tennessee Department of Economic and Community Development (TNECD) is committed to an open and transparent government. This searchable database is designed to better assist the public in accessing project data for FastTrack grants.

Please Note: This resource includes all located projects since 2015 that have one or more contracted FastTrack grants. Capital grants or projects which were not awarded FastTrack grants are not listed within this database.

1 to 1 of 1 records (filtered from 516 total entries)

Search:

Company	Landed Month /Year	Capital Investment	New Jobs	Project Type	County	County Tier	FJTAP	FIDP	ED	Grants Total
National Pen Corporation	4/30/18	10,170,000	214	Expansion	Bedford	2	149,800			149,800
