He said an armed meet up lol

~Gunny

I would highly advise minimizing any communication with him. Also there needs to be zero and i mean zero public interaction if we want to continue with our plans

~DebasedTyrant

Yeah no more protests right now. He is searching for clout and is too hot for us to be associating with him at this moment in time.

~DebasedTyrant

When the time comes there will be no need to try and strike fear through presence. The fear will be manifested through bullets.
