**NOTICE OF INTENT TO WITHDRAW FROM THE UNIFIED POLICE DEPARTMENT**

Dear Mayors, Chairpersons, and Sheriff:

The City of Taylorsville sincerely appreciates its long-standing partnership with the other member entities that created the Unified Police Department (“UPD”). We are particularly grateful for the women and men of law enforcement who have served our community so well for so long. We all agree that our collective community has benefited from this collaboration.

In order to improve policing and ensure the most local control, we believe now is the best time to form our own police department. We appreciate our long-standing relationship with UPD. We look forward to building on the accomplishments of UPD and partnering with it and other agencies as we develop our own police department.

This letter satisfies our requirement to provide notice to withdraw from Unified Police Department on July 1, 2021, as required in Subsection 20(b) of the Cooperative Agreement by Public Agencies to Create a New Entity, to Consolidate Law Enforcement Service, and Provide Rules of Governance.

Sincerely,

Kristie Overson  
Mayor, City of Taylorsville
