

Gunny

Yeah right around a grand total

... 5:54 PM

wayward

I gotta guy i met who does supressors and all types of stuff. He's an fbi but he isn't stuck up. He transferred a pistol for me that i sold to a friend cause no one would give him a purchase permit

5:55 PM

Worst comes to worst i could talk to him low key and see if we can work a deal depending on our goal.

5:56 PM

I'll look like the idiot if he says no but I don't mind lol

5:57 PM

If he says yeah then were good. I'm willing to take that risk.

5:57 PM

Just an idea

5:57 PM

Doc

Guys the cops just questioned my old roommate about me

6:00 PM

Apperently they were asking him about my military pictures, and my actions in the "boogaloo" movement

6:01 PM

Has anyone else had anything strange going on? I see it looks like they got to gunny too

6:01 PM

wayward

Why are they talking to your old roommate?

6:03 PM

And why the h did you leave pictures of yourself hanging on the wall....

6:03 PM

How would They know about any of that?

6:06 PM

Doc

That's my point, it was my old army picture I just forgot about it being there

6:06 PM

And then they started asking him about my involvement with the boogaloo movement

6:06 PM

Gunny

My s is unrelated, they approved my stamp submission, and I bought a gun like a month ago

6:07 PM

They have a warrant?

6:09 PM

Doc

Apperently my neighbor reported to the cops calling my place "the armory" from seeing me go in and out with gear from training and s

6:10 PM

Red hot

-  **Doc**
● Apparently my neighbor reported to the cops calling my place "the armory" from seeing me go in and out with gear from training and s... 8:10 PM
-  **Red hot**
● Big sketch 8:11 PM
-  **Doc**
● Guys change code words asap 8:12 PM
-  Doc pinged 8:12 PM
-  **Doc**
● Change your code words ASAP 8:12 PM
- Apparently they brought them up to my roommate asking him about the coded texts. 8:12 PM
- You guys may need to get a meeting together soon, I guess they are really really on my case back in Michigan 8:17 PM
-  **Gunny**
● Did the cops have a warrant tho? 8:21 PM
-  **wolf**
● @wayward I'll be out your way this weekend if we want to try again 8:26 PM
-  **Doc**
● No clue, it was while the was being cleaned out when I was no longer a resident there. All I know is they know a lot of stuff they shouldn't and asked him alot of weird questions 8:27 PM
- *while the home 8:27 PM
-  **Gerald**
● This is big problem 8:27 PM
-  **Doc**
● No s..., we've been compromised it appears 8:28 PM
-  **Gerald**
● Your roommate spill on ya? 8:29 PM
-  **Doc**
● Nope he hates cops 8:30 PM
- Told them the coded s... was for an online clan for a game me and friends 8:30 PM

Doc

Nope he hates cops

6:30 PM

Told them the coded s... was for an online clan for a game me and friends played

... 6:30 PM

Red hot

Wait they knew about coded language?

6:34 PM

Doc

Apperently so

6:36 PM

This is atleast what my old roommate stated

6:36 PM

Red hot

That's big sketch

6:36 PM

Either wire is compromised or someone who knew about the "codes" said something that got around Or worst case there's someone in here who isn't very cash money

6:38 PM

Doc

They've probably been watching me for a while since my face was plastered on the news along with Joe during wolverine Watchmen s...

6:38 PM

@Red hot you think we've got a fed???

6:38 PM

Red hot

I mean how else would they know about coded language that's very specific information to have. And we've only discussed that within this group

6:39 PM

Leroy Jenkins

Did they bring up coded lingo in general, or specific keywords?

6:40 PM

Doc

All of the above, they knew the meanings of them

6:40 PM

Red hot

Gtfo that's very concerning

6:41 PM

Leroy Jenkins

That is concerning

6:41 PM

Red hot

In person talks only from now on

6:41 PM

Leroy Jenkins

-  **Red hot**
In person talks only from now on 6:41 PM
-  **Leroy Jenkins**
Very concerning 6:41 PM
-  **Doc**
I think I'm going to go ghost for a while and try to get out of their microscope ... 6:42 PM
-  **ETADIK**
Jesus. I agree in person. Old crazy gf doc? 6:42 PM
-  **Doc**
I don't think so she didn't know anything about the coded text or meanings 6:42 PM
-  **Beaker**
She was there when we made the list 6:48 PM
-  **Doc**
I still don't think she knew or remembered any of it to call up cops that are an hour and a half away from her to just now bring it up out of the blue 6:48 PM
-  **Gunny**
Local pd or MSP 6:48 PM
-  **Doc**
I think either our app is compromised or some s***, It was local PD 6:49 PM
Milford police department 6:49 PM
-  **Gunny**
Got screen shots of the texts? 6:50 PM
-  **Doc**
He called me over the phone for it 6:52 PM
-  **Leroy Jenkins**
You do anything memorable to incur the wrath of the PD @Doc1776.2 ? Also did they say when your neighbor called? 6:57 PM
-  **Gerald**
No balls call Milford police ask wtf 6:57 PM
-  **Doc**
I didnt do jack s*** Imao and they did not, my roommate just said that's what the police told them my neighbors called the place 7:00 PM

Gerald

No balls call Milford police ask wtf

6:57 PM

Doc

I didnt do jack s... lmao and they did not, my roommate just said that's what the police told them my neighbors called the place

7:00 PM

Leroy Jenkins

Just making sure

7:03 PM

Doc

You're good man I'm just slightly concerned as f...k right now

7:04 PM

Almost wondering if I need to go ghost mode and disappear off social media and everything for a while now

7:04 PM

Leroy Jenkins

But I dont necessarily think its wire, we never sent a keyword list here

7:05 PM

Gunny

No, it was only ever on paper

7:05 PM

Doc

I'm almost wondering if my dumb... left behind any paper but I think I handled them all out

7:06 PM

Leroy Jenkins

But that still doesnt answer how they got their d... beaters on them

7:06 PM

Red hot

Yeah even if you left them they wouldn't get them

7:07 PM

Doc

Might sound like a lot of tin foil hat but on our ride to Wisconsin we did talk about the coded words and meanings with all our phones around

7:07 PM

Leroy Jenkins

Its possible I guess. But thats a big red flag if they already had ears on

7:09 PM

Doc

No s...

7:10 PM

I'm at a lost for words all I know is y'all may need to get together and change some stuff, this is all f...ed and I'm sorry guys, I didn't know they were seriously on me like this

7:12 PM

Doc

No s***

7:10 PM

I'm at a lost for words all I know is y'all may need to get together and change some stuff, this is all f***ed and I'm sorry guys, I didn't know they were seriously on me like this

7:12 PM

Red hot

Local pd wouldn't have access to our phones and if they did the feds would take over not Milford pd

7:12 PM

Leroy Jenkins

Thats kinda what I was thinking

7:15 PM

wayward

Bro you need to tighten your s*** up and get your f***ing s*** together. Doing s*** like forgetting pictures and leaving bulls*** laying around is literally f***ing retarded man, you aren't paying attention to a god Damn thing.. Get your head out of your little f***ing girlfriends a** and pay attention to wtf you are doing. This type of s*** is unacceptable.

7:15 PM

And yeah im pissed off because we either have a mole in our unit or our guy's are so f***ing stupid they don't know how to cover their own tracks.

7:16 PM

Im not gonna get hemmed up and ruin my life because of someone else's stupidity.

7:16 PM

Doc

It was one f***ing picture I left behind from me in my fatigues??? How was I supposed to know the cops were going to go into my old house after I moved out??

7:17 PM

I took everything with me that was actually sensitive s*** I wasn't stupid with my s***.

7:18 PM

wayward

Dude you seriously don't realize when you leave an area to not leave s*** behind? You have creditors and debt collectors looking for you and you're leaving f***ing pictures of yourself hanging on the walls.....

7:19 PM

Doc

And I never had a girlfriend at this time that makes zero sense?!

7:19 PM

wayward

And we don't know if it was just a picture

7:19 PM

You could have left other s*** too. But it's also possible we have a mole ..

7:20 PM

-  wayward
● And we don't know if it was just a picture ... 7:19 PM
- You could have left other stuff too. But It's also possible we have a mole ... 7:20 PM
-  Doc
● Look man I get why you're pissed trust me, but I left behind a coffee table a couch and my shitty mattress for trash, it was legit one picture that was framed with nothing else on it, I didn't give a fuck for it and left it for trash 7:21 PM
- Everything else was either sold or with me down here now 7:21 PM
-  wayward
● I get it 7:21 PM
-  Doc
● The last thing we need to do is panic, 7:22 PM
-  wayward
● I agree 7:22 PM
-  Doc
● Currently, I don't even live in Michigan anymore, so if they are after me then they're gonna have to reach out to either my new local PD or if it gets bigger then they'll get feds on my ass, 7:22 PM
-  wayward
● You've done nothing wrong though. They could have just been fishing 7:24 PM
- Your neighbor kind of knew what you we're about and your roommate is soft. They could of just been casting a line and seeing what they can catch. 7:25 PM
-  Doc
● Exactly, we haven't done anything illegal or wrong, they're probably just pissed because we're not open to public like the rest of the cliché militias around, they're just sniffing their nose around most likely 7:25 PM
-  wayward
● Your roommate should have said idk what you are talking about. Boogaloo? What's that mean.. 7:25 PM
-  Gerald
● Everybody better get your back story square because I think we need to dig into everybody and confirm without a doubt people's identity 7:39 PM
-  Leroy Jenkins
● That seems a safe course of action 7:43 PM

-  **Leroy Jenkins**
That seems a safe course of action 7:43 PM
-  **Doc**
Everyone needs to know everyone in the group 7:55 PM
-  **wayward**
That was one thing on the check list last meeting 8:04 PM
-  **Gerald**
I'm talking being able to trace a good path of your life schools, jobs, I'm talking ... 8:10 PM
pictures of you at said school or job or anything to back up what your saying
-  **Beaker**

Until Sunday, stay off wire boys. 8:12 PM
-  **Red hot**

-  **Leroy Jenkins**
Any way that can be later in the day or nay? 8:15 PM
-  **Beaker**
How much later? 8:17 PM
-  **Gerald**
I'll be there 8:19 PM
-  **wolf**

-  **Leroy Jenkins**

-  **Gerald**

8:52 PM

Red hot

I'd prefer 12 I got a bunch of s to do around my house all weekend

8:55 PM

Beaker

Youre about an hour out from me, noon doesn't work?

8:58 PM

ETADIK

Sooner the better for me only one day off a week. I'm game though have pay stubs for the year

8:59 PM

wayward

Send me address by Saturday and I'll be there. I also want to go over what I had for last week after we get done.

9:07 PM

Beaker

Aight, I'll send my address out Friday. Until then no one use this group chat.

9:15 PM

Beaker set the message timer to 1 day

9:15 PM

Gerald

I'm not just talking pay stubs but yes that'd be dope

9:39 PM

wayward

We should probably specify at least 3 forms of identification at minimum. Bring all you can. If you were prior military bring that stuff too. Pay stub ID social security card definitely something with your address on it etc...

9:50 PM

9:50 PM

TODAY 3:54 PM

Beaker

Beaker

Also, guy selling manual presses for reloads. 50 bucks each

4:40 PM

At the boot store in waterford

5:00 PM

5:45 PM

Gunny

That story doesn't add up

5:45 PM

ETADIK

The whole thing is crazy

5:45 PM

Beaker

Paul?

5:45 PM

Red hot

I thought the same thing.

5:45 PM

ETADIK

He find out today.?

5:47 PM

ETADIK

He find out today,?

6:47 PM

Gunny

Yeah

... 6:47 PM

Local pd doesn't ask that s***, especially if they don't have a warrant. Even they know better than that

6:48 PM

ETADIK

Man idk he had a few gf even brought out on an op

6:48 PM

Red hot

If it's true something is compromised and it's gotta be re vetted or shut down and we should only operate in our small unit

6:48 PM

Beaker

Have everyone in the group stay off the app until we come up with a date and place

6:50 PM

Red hot

Yeah I'd imagine it's her, plus Paul already told that random chick he slept with about his views and probably other s***.

6:52 PM

ETADIK

Maybe. He typed it all there

6:53 PM

Gunny

I can reach out to Jacob if yall want me to

6:54 PM

Unless we think everything is compromised

6:55 PM

ETADIK

He said no warrant right

6:55 PM

Red hot

Yeah no warrant

6:55 PM

Might as well if they have code words they have our faces or names

6:55 PM

We're all friends on fb not hard to figure out

6:56 PM

ETADIK

Then they only have word of mouth

6:56 PM

Red hot

Still enough for them to do something with

6:56 PM

 **Red hot**
Still enough for them to do something with

6:56 PM

 **Gunny**
The whole story seems pretty fabricated. And if anything paul and his loosely
handling of information is the source of the leak

... 6:57 PM

 **ETADIK**
True but after he left and he forgot to take pics?

6:57 PM

 **Red hot**
Yeah hit up his roommate and see what he says

6:57 PM

 **Gunny**
Ight I will. And paul bailed in a hurry, he left tons of s... behind

6:59 PM

 **Red hot**
F... in a bois this is no good. We can discuss methods to fix this on Saturday.

7:00 PM

 **ETADIK**
What time Saturday? I work 1900 can do Sunday too

7:07 PM

 **Beaker**
We can do Sunday

7:10 PM
