April 23, 2026

Good Afternoon, Families:

As you know, we work every day to maximize safety on our campus.

We share the community's concern about serious allegations regarding one of our former volunteers. CCPD notified Mireles of the situation involving the former volunteer, who has not been on school property since prior to the notification. Out of respect for the important work of law enforcement, we cannot share any additional information.

We thank CCISD PD for continuing to provide support to our campus in accordance with district protocols regarding visitors to our school.

We continue to encourage anyone who, at any time, has information or concerns to share with authorities to call 311, the CCPD non-emergency number, or the CCISD SpeakUp system at 361-631-1011 or speakup@ccisd.us.
