Dear Mr. and Mrs. Hyde:

Thank you for your cooperation during the recent investigation. We are writing to inform you of the disposition of the investigation in which **Kaidyn Hyde** was listed as the alleged victim. The allegation(s) investigated pertained to Physical Abuse and Physical Neglect. After a thorough investigation of the facts and review with my supervisor, a disposition of founded, Level Two has been made. "Founded" means that a review of the facts shows by a preponderance of the evidence that child abuse or neglect has occurred. A level two includes those injuries/conditions, real or threatened, that result in or were likely to have resulted in moderate harm to a child.

As a result of this disposition, the alleged abuser/neglector's name will be placed in the Virginia Child Abuse and Neglect Central Registry based on the level that was assessed.

For founded investigations, level two, names and records are kept for 7 years from the date of the complaint if there are no subsequent reports of child abuse/neglect regarding the same child or alleged abuser/neglector.

Your child's name will be retained in the Central Registry for **30 days**. If you want your child's name to remain in the Central Registry for as long as the record of this investigation is retained, send a letter to:

Virginia Department of Social Services- CPS Unit  
801 East Main Street  
Richmond, Virginia 23219

Include your child's name, date of birth, address and description of your relationship to the child.
