Dear Ms. Bowman,

Thank you for your cooperation during the recent investigation. We are writing to inform you of the disposition of the investigation in which Nirey Bowman was listed as the alleged victim. The allegation(s) investigated pertained to **PHYSICAL ABUSE**, by **Don Juan Cooper**. After a thorough investigation of the facts and review with my supervisor, a disposition of founded, **LEVEL TWO** has been made. "Founded" means that a review of the facts shows by a preponderance of the evidence that child abuse or neglect has occurred. A level **TWO** includes those injuries/conditions, real or threatened, that result in or were likely to have resulted in moderate harm to a child.

As a result of this disposition, the alleged abuser/neglector's name will be placed in the Virginia Child Abuse and Neglect Central Registry based on the level that was assessed.

As required, we are providing a copy of this notification and summary of findings to the facility administrator or designee and any regulatory agency staff involved in the investigation at the same time we notify you of the disposition.

Regards,

Maria T. Terbea
