

Rainbow Schwangers

2-10-20

C/o Barbara Bowman

Delta Co 81416

PACFA 90 Church

Inspection date of 1-22-20

In regards to the violations given on 1-22-20
part 19 Record keeping, the 3 papers of transfer 1
I called & fixed the 2nd one phone number
not in order and #3 - I forgot the last name
& address I cannot fix.

79.5.1 The Mexican Shepherds have records on file
part 11.1 all the walls in & out are corrected

11.2 all repairs indoors are corrected

11.9 the second lights were not on but I have
500 wt lens in now.

11.12 the enclosures were fixed all material
removed & steel roofing done

11.12 all enclosures were re grained

part 12 all dogs taken out of grooming cages

part 13 all cages & tables are sanitized & bleached

13.6 all feeds & waters are changed weekly

13.11 all enclosures have ~~the~~ gravel removed & new

put in

part 15 the oxytocin was thrown away it had
a needle in it to use for a female in
labor.

part 18 both dogs were clipped

part 11.12 all the dogs were given the
next day new large blankets all of
the enclosures shading has been removed &
new steel roofs put on.

part 12 all the shade cloth removed

12.19 all are now dry & covered with steel

part 15. We had not started the day and
checked the dogs nothing was abused by Heather
and I the day before. Heather that is my
full time employee ^{and} is a State licensed
Vet Tech. - (has worked in Vet offices
and very good with the dogs and I exp-
ected to bring me anything looking
to have a problem. Both of these dogs are healthy

part 15.3 We had not seen the dogs before
the inspectors came at 10:00

part 13 all the cages in the whelping room
are cleaned & Sanitized daily. The Luron
Shepherds are cleaned daily the inspector
came just after a storm & it was still
with snowing when they came. all is
cleaned up - my battery on the fourwheeler
is fused and I can take track daily
The Luron Shepherds have new wire pens and
they are steel roofed also.
