Dear Odem High School Parents and Guardians,

Yesterday, the District was notified of an incident that occurred earlier in the week between multiple students on the bus ride home following a high school basketball game. The District is working in cooperation with law enforcement in the pending investigation. As an added precaution while this investigation is underway, we will have an additional district employee present on all athletic-related bus rides, to help prevent any future concerns. As always, the health and safety of all Odem-Edroy ISD students and staff is priority.

Sincerely,

Yolanda Carr  
Superintendent of Schools
