They were caught by surprise because they have a new prosecutor, Mr. Errico that was just assigned to our court and he may have been overwhelmed with the amount of cases he just took on for our court. Below is a snippet, of the e-mail I sent to Mr. Klein & to Mr. Errico back on Aug 5, 2021 informing them of the setting.

Here's to the great leadership of Nueces County DA [Mark Gonzalez \[facebook.com\]](https://www.facebook.com/markgonzalez)

Got this at 5pm today. So much for any advocacy for crime victims...

Good afternoon,

Per our conversation, you requested ADA Michelle Putman's contact information. Our office line is 361-888-0411. Again our office was not notified by the 117th that this hearing was set for today nor did we agree to the

outpatient request by the defense. The judge granted this and it was out of Ms. Putman's control. I apologize that you were not notified nor able to see the hearing.

If you have any questions that I can assist with, please call me at any time.

He was released to the care of his parents today. We were asked to be notified of any changes to Mr. Moreno...not much of a crime victims assistance program.
