Inspection Violations

No violations cited.

Inspection Temperature Observations

No Temperature Observations

Overall Inspection Comments

Survey conducted due to ongoing non-compliance of payment for health permit fees as well as nonpayment of the recent C downgrade fee from the routine inspection conducted on October 22, 2020 and any applicable late fees. (C grade observed posted conspicuously during today's survey.)

Facility had until noon yesterday (1-4-2020) to pay all of the outstanding fees for this location however no payment has been made.

There are 3 outstanding invoices (IN0257431, IN0250231, and IN0197917) for this location - invoices will be provided again via email.

Payments may be made online using the invoice number listed on each invoice at:

<https://www.southernnevadahealthdistrict.org/permits-and-regulations/environmental-health-invoice-payment/>

THE FACILITY IS CLOSED AT THIS TIME AND MUST REMAIN CLOSED UNTIL ALL PAST DUE INVOICES ARE PAID.

Due to the social distancing requirements of COVID 19, this form was reviewed, but not signed by the person in charge.

The Health District is working with its health care and community partners to ensure there are strong public health measures in place to respond to COVID-19 in the community. Updates about COVID-19 are also available by calling the Health District's Information Line at 702-759-INFO(4636) or 1-866-767-5038.

The public can help the response:

- Do not go to the emergency department unless it is essential. Emergency departments need to be able to serve those with the most critical needs.
 - If you have a mild cough, fever, or other respiratory symptoms, contact your doctor first.
- Practice everyday preventive actions to help prevent the spread of respiratory viruses:
 - Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
 - Avoid touching your eyes, nose, and mouth.
 - Avoid close contact with people who are sick.
 - Cover your cough and sneeze with a tissue, then throw the tissue in the trash.
 - Clean and disinfect frequently touched objects and surfaces.
- Stay home when you are sick.
- Stay informed. The COVID-19 situation is changing frequently. Up to date information is available on the Health District website at www.southernnevadahealthdistrict.org/coronavirus or the CDC website at www.cdc.gov/coronavirus/2019-ncov/index.html.
