John Drake
Chief of Police
Metropolitan Nashville Police Department
600 Murfreesboro Pike
Nashville, TN 37210

Dear Chief Drake,

This letter shall serve as my official notification to you and to the Metropolitan Nashville Police Department that my last day of work will be November 27, 2020.

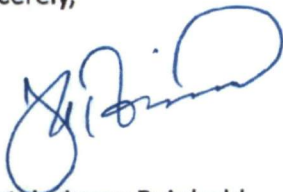

I am accepting a ten (10) day suspension to resolve my OPA investigation. At the conclusion of the suspension, I will immediately begin my retirement. My ten (10) day suspension will begin upon this date, Wednesday November 18, 2020.

Although I will retire in good standing with the Metropolitan Nashville Police Department, I know I have had a very difficult year. Fortunately, I have had 25 wonderful and very successful years preceding this one here at MNP. I hope those are the days in which I am remembered from as I am very proud to have been a part of the hard work and accomplishments of this department over the last quarter century.

My college football coach constantly preached two sayings: 1) Work hard; keep your mouth shut; and good things will happen. And 2) If you're not getting better, you're getting worse. I have reflected on both of these aphorisms this year. It is time for me to begin a new career. While this chapter is closing for me, I look forward to carrying over all of my experiences of this noble career into my next chapter.

I wish you and those whom I call friends here at MNP the absolute best.

Sincerely,

Captain Jason Reinbold
Field Operations Executive Officer
Director of Training
Commander, Central Precinct
