

ACADIA PARISH SCHOOL SYSTEM PHASED REOPENING PLANS

The following operational and instructional plans will be implemented in Acadia Parish schools based upon the Governor's declaration of phased openings in the state of Louisiana. All proposed scenarios are **subject to change** based on guidance from various state/federal agencies. NOTE: Phase I distance/remote learning is different from the A+Campus designed for total, online virtual learning with a long term commitment. Phase I distance/remote learning will be provided by each respective school's staff and will consist of a mix of virtual learning via computer along with written assignments distributed via pick-up/drop off delivery methods at each respective school with the hope to return to Phase 2 and/or Phase 3.

	PHASE 1	PHASE 2	PHASE 3
Maximum Group Size	<ul style="list-style-type: none"> 10 individuals including adults Buses are at 25% capacity 	<ul style="list-style-type: none"> 25 individuals including adults per group (Static group is priority) Buses are at 50% capacity (Buses will run multiple routes) 	<ul style="list-style-type: none"> 50 individuals including adults per group Buses are at 75% capacity (Buses will run multiple routes)
Elementary PreK - 5th	<ul style="list-style-type: none"> Students receive distance/remote education utilizing both Google Classroom and/or hard copies of materials which will be distributed through pickup/drive thru at the school. Attendance is recorded and assignments are graded. Devices will be distributed to all students through pickup/drive thru at the school. 	<ul style="list-style-type: none"> All elementary students in grades PreK, K, 1, 2, 3, 4 and 5 report to school 5 days per week with static grouping and safety protocols in place to the maximum extent possible. Static groups are cohorts of students who remain together in a learning environment throughout the day. Interaction between other static groups on campus is minimized. Instructional times will be adjusted to accommodate the arrival of buses as necessary. Guidelines on face coverings/masks will be released by the school system in accordance with the: LA Dept of Health, LA Gov's Office & CDC requirements. 	
Middle School 6th - 8th	<ul style="list-style-type: none"> Students receive distance education utilizing both Google Classroom and/or hard copies of materials which will be distributed through pickup/drive thru at the school. Attendance is recorded and assignments are graded. Devices will be distributed to all students through pickup/drive thru at the school. 	<ul style="list-style-type: none"> Middle school students in grades 6, 7 and 8 report on an A/B schedule with social distancing to the maximum extent possible and safety protocols. When a group is not present at school, they are engaged in distance learning utilizing both Google Classroom and/or hard copies. (Hybrid) Attendance is recorded and assignments are graded. <p><u>A/B Schedule</u> Monday - Group A Tuesday - Group B Wednesday - Group A Thursday - Group B Friday – A/B rotation weekly</p> <ul style="list-style-type: none"> Students with moderate to significant disabilities have the opportunity to report 5 days per-week as per IEP Team decision. Guidelines on face coverings/masks will be released by the school system in accordance with the: LA Dept of Health, LA Gov's Office & CDC requirements. 	<ul style="list-style-type: none"> All middle school students report to school 5 days per week with social distancing protocols to the maximum extent possible and safety protocols. Assemblies or gym use must be below 49 students plus teacher. Guidelines on face coverings/masks will be released by the school system in accordance with the: LA Dept of Health, LA Gov's Office & CDC requirements.

KEY SAFETY MEASURES

- ♦Wash Hands/Sanitize Hands Often
- ♦Practice Social Distancing (6 feet)
- ♦Wear a Face Covering
- ♦Cover Coughs/Sneezes
- ♦Avoid Touching Eyes/Nose/Mouth
- ♦Be Cautious with At-Risk Individuals (Elderly/People with Underlying Health Conditions)

	PHASE 1	PHASE 2	PHASE 3
High School 9th - 12th	<ul style="list-style-type: none"> Students receive distance education utilizing both Google Classroom and/or hard copies of materials which will be distributed through pickup/drive thru at the school. Attendance is recorded and assignments are graded. Devices will be distributed to all students through pickup/drive thru at the school. 	<ul style="list-style-type: none"> High school students report on an A/B schedule with social distancing to the maximum extent possible and safety protocols. When a group is not present at school, they are engaged in distance learning utilizing both Google Classroom and/or hard copies). (Hybrid) Attendance is recorded and assignments are graded. <p>A/B Schedule Monday - Group A Tuesday - Group B Wednesday - Group A Thursday - Group B Friday – A/B rotation weekly</p> <ul style="list-style-type: none"> Students with moderate to significant disabilities have the opportunity to report 5 days per-week as per IEP decision. A+ Campus Virtual Program (K-12)	<ul style="list-style-type: none"> Any student may elect to register for our A+ Campus virtual program – focus is grades K through 12. Edgenuity software will be utilized at A+ Campus virtual program for grades K-12. Details and a Frequently Asked Questions (FAQ) document regarding the A+ Campus virtual program were released July 7th and posted on the Acadia Parish School Board Website. Online Pre-registration will take place July 7 - July 24. A+ Campus is a free, local option to the traditional public school with a long-term commitment as an alternative to traditional learning at a regular school campus. Students access standards-based courses delivered by highly-qualified/certified instructors through an online format that is closely aligned to the district's scope and sequence for each course. Students work at their own pace with timed progress benchmarks through various online learning activities utilizing the Edgenuity platform. Courses are able to be completed anytime/anywhere and are progress-monitored through assignments, quizzes, tests, and exams utilizing the Edgenuity platform. Students have access to certified teachers for tutoring. Students enrolled in A+ Campus may participate in their (zoned/home school) school-based extracurricular activities. 		
Symptom Monitoring	Students will be assessed upon arrival and throughout the day, including temperature checks. Students exhibiting symptoms will be isolated on the campus and parents/guardians will be notified.		
Cleaning/ Personal Hygiene	High touch surfaces will be cleaned multiple times throughout the day, including restrooms. Hand-washing/hand sanitizing should occur upon arrival, at least every two hours, before/after eating, before/after using outdoor equipment and before exit. Additional supplies will be provided to each school.		

NOTES: The plans presented here are subject to change as various federal, state and local guidelines are provided resulting in Phase/Plan adjustments – we appreciate everyone's patience and cooperation. [July 14, 2020]

- At this time, calendar adjustments during the pandemic will allow for students to report on Monday, August 17th and that school-based staff report on Monday, August 10th with a full week on campuses prior to students starting.
- Phase II plans are focused on capacity requirements relative to transportation and social distancing on campuses. Use of the A/B rotation for grade 6-12 will allow for additional space/capacity on school buses since Phase 2 requires 50% ridership at any given time. Spacing and disembarkment of passengers will be to the maximum extent possible.
- Phase II plans do NOT allow for contact and high-risk sports nor band/chorus.
- Physical Standards: entry and exit points will be organized to maintain maximum group sizes and physical distancing recommendations to the maximum extent possible. Distances should be established between the teacher's work space and students' workspaces. Visitors will be limited to appointments, scheduled parent conferences, IEP/504/SBLC and other meetings, check-in/check-out and emergencies. Mask/face coverings will be required based on the regulations in place as determined by the LA Dept of Health, LA Gov's Office & CDC. Use of water fountains will be limited.
