Subject: Managed Medicaid directed payments delayed

Members,

We wanted to keep you informed that according to the Oklahoma Health Care Authority (OHCA), the quarterly payments for the SoonerSelect Managed Medicaid Directed Payment Program (DPP) will be delayed until the FY2026 pre print is approved by CMS. The OHCA submitted the pre print to CMS in June and OHCA has responded to all the questions that CMS has posed to date.

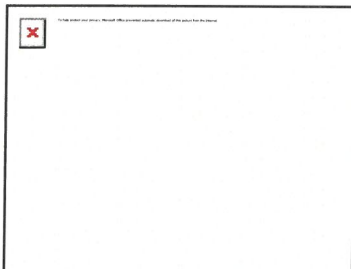

Normally, these funds are received by the participating hospitals in July. We are unable to provide an estimate of the timing of the DPP payments as OHCA must wait for CMS' approval.

[Please click here](#) for the notice from OHCA.

If you have additional questions, please reach out to the [Oklahoma Health Care Authority](#).
