November 10, 2020

Dear Parents,

Pre-K-12 Schools will Close at the end of the day Tuesday, November 10, 2020

All Kelloggsville Public School buildings will close at the end of the day on **Tuesday, November 10, 2020** and reopen on **Monday, November 30, 2020**.

All students attending school in a regular classroom will move to online/virtual instruction with their teacher.

The reason for closing our schools is there is an increasing number of COVID cases in the state and county as well as we have identified many more of our students and staff with COVID like symptoms. The health department guidelines require the district to take precautions from having the spread of COVID by having affected individuals quarantine as well as closing school.

During this extended break we will do the following:

- All classrooms will receive a deep clean to provide for virus free buildings
- Food service will provide "Grab & Go" meals on Monday and Thursday (except Thanksgiving) in the west parking lot at the high school: 10:00 a.m. to 11:00 a.m.
- All students will receive information from their building principal regarding virtual instruction

We will continue to partner with the Health Department and will follow their guidelines and requirements. We are confident that closing the district will result in containing the spread of COVID and that our students will be able to return to a very safe learning environment on Monday 30 November 2020.

Sincerely

Samuel L. Wright, Supt.
